**Hold onto your faith,
God's Not Wrong!**
Jude

In what ways is the Christian faith under attack?

1. _____, believing they are the enlightened ones, dismiss God as an expired product from the superstition aisle of the supermarket of ideas. What Christ-followers call "wisdom", this enemy calls "archaic".
2. _____, believing God to be a threat to their power, do everything they can to discredit His reputation and eliminate His influence in order to absorb for themselves the power that belongs only to God. What Christ followers call "holy fear", this enemy calls "hocus pocus".
3. _____, believing God to be a man-made agent designed to manipulate and control, cast Him off their back as a threat to their happiness, and work hard to erase Him altogether. What Christ followers call "morality", this enemy calls "toxic".
4. _____ can lead to doubt and discouragement, and it can pull us away from God. What Christ followers call "the refiners fire", this enemy calls "meaningless".

"Godless leaders" are undermining the faith in two ways:

1. They are encouraging God's people to follow their _____ rather than God's more restrictive instructions on _____. And their argument is _____.
2. They are rejecting the _____ of Jesus.

Sex is designed by God to be a unique, private, exclusive expression of intimacy between a man and a woman who have committed themselves to one another in the sacred bond of marriage.

Examples of destructive teachings found inside God's churches:

1. Hell isn't actually a _____.
2. The gospel is _____.
3. God's standards on sexuality are _____.
4. Your right to _____ is more important than your responsibility to _____.

3 actions steps we can take:

1. _____ leaders & teaching that contradict God's Word.
2. _____ in your relationship with God and _____ that will enrich your faith.
3. _____ the work of these ungodly leaders and teachings by _____ discover the truth.
