On a scale between 0-10, how important is it to you whether the flood really happened or not?

Where would all the water have come from? (and where did it go?)

Why does it really matter anyway?

Matthew 24:35-44

2 Peter 3:1-13

What do we learn about God from all of this?

## Next Steps with God this week:

- Get my relationship with God squared away. I believe the Bible is true and I want to be on God's side when the next judgment comes. *(Please talk to a trusted friend about that before you watch the Superbowl tonight!)*
- Do some research on what kinds of fossils have been found in the Himalayas and on Antarctica.
- Start practicing Pi2 (see below).
- Other: \_\_\_\_\_

**PRAY** daily for 4 people you know who are far from God

**INVEST** in them by building real friendships with each of these people

**INVITE** them to take a step toward God as He gives opportunity, boldness and clarity

*Pi<sup>2</sup> is our strategy for reaching those far from God.*
